Dressing: In accordance with the IDSF competition rules.
Couples, which are dressed against these regulations, are not allowed to dance or get no marks in the first round.

Anti-Doping:

In accordance with the IDSF competition rules.

Appendix B: Forms of Consent 2003 must be, as stated in Art. 3.1.3 of the Code, completed and duly signed by each and every competitor in IDSF championships and IDSF granted international competitions.

As stated before, it is the responsibility of all organizers of IDSF granted championships and competitions to make sure that all participants on such competitions have completed the Forms of Consent prior to enter the competition. Competitors who have not completed and duly signed the Forms of Consent are not allowed to start in the competitions. The completed forms must be held ready by the organizer for consultation during the competition.

It is the responsibility of the member federations to make sure that all their competitors, participating in such competitions, are issued the proper Forms of Consent.
