

Dear colleagues,

on behalf of IDSF, Slovak Dance Sport Federation and organizational team of Dance for life festival, we would like to warmly invite you on the first year "IDSF European Union Academic Dance sport Championship", which will be held on 27th November 2010 in a capital city of Slovak Republic – Bratislava.

This competition is being held for the best academic couples in STT and LAT, while each of the EU member states may represent 3 couples in each dance group, nominated by National Federations (registration until 15th November 2010 at szts@szts.sk).

In attachment, I'm sending you conditions of attendance. On www.dfl.uni-dance.sk, you can find other relevant information, such as: proposition, adjudicators, timetable, addresses, and program.

We believe that your country will support this historically first international dance sport competition of academic couples. Slovakia – as one of the first pioneers of academic dance sport in Europe - will seek to be an exemplary host and organizer.

We are looking forward to meeting you!
Sincerely,

Ing. Miroslav Lenárt
President SDSF

Mgr.Petr Horáček
Director of organizational staff

P.S.: PLEASE NOTE – accommodation directly before and after completion is for competing couples for free!!!
